Ver. 23.1.3

NOTE: The first time a student logs in with their Temporary Password they will be prompted to set a permanent password.

Notes for Teachers and Administrators:

Students' login using a different url than Staff.

Student login url: <https://tn-student.schoolnet.com>

Teachers

Once a test is scheduled to their sections, teachers can locate student usernames and temporary passwords using the following path:

- From the Classroom Assessment Monitor widget>
- click Test Management tab>
- View Usernames in the drop down to the left of the test name.

District and Building Testing Coordinators:

- DCT and BTC can use the same path as teachers to print student usernames and passwords by Section
Or
- The following paths allow printing multiple sections at a time:

Assessments>Print>click the **View Usernames** Icon to the left of the test name.

- From the test>click **Test Actions** (top right-hand corner)>**View Usernames**>Filter to the sections to work with.
