

Verifying Student Rosters

To verify student have loaded:

- Log in to Schoolnet
- **Reporting>Reporting Dashboard**
- Click on the **Published Reports** Tab
- Click on:
By Student – Currently Enrolled Grade 3 Students or Current Section Enrollment

The screenshot displays the 'Reporting Dashboard' for the 'Achievement School District'. The breadcrumb trail shows 'Tennessee Depart...' > 'Achievement Scho...' > 'Select a School'. Two tabs are visible: 'Test Results' and 'Published Reports', with a red arrow pointing to the latter. Below the tabs, there are filter options: 'Filter By' with radio buttons for 'View All', 'Category' (selected), 'Top Reports', and 'Subject'. A search bar with a 'Go' button is also present. The main content area shows a 'Reports' section with a sub-section 'Uncategorized'. Below this, it indicates 'Results 1 - 1 of 1'. At the bottom, there is a link for 'Current Section Enrollment' with a red arrow pointing to it, followed by the text '# of students per section' and a 'more' link.

Verifying Student Rosters

To verify students have loaded:

- Report shows student enrollments by building
 - Can switch between buildings from menu at top of page
- Classes sorted by teacher
 - **Click on the number** next to the class name to view the student roster for that class

SchoolNet Accommodations

- The following accommodations/test taking tools are applied for all students:
 - Color Contrast
 - Answer Masking
 - Line Reader Mask
 - Magnifier
 - Text to Speech (TTS)
- Text to Speech may need to be applied for some students. Teachers, BTC, BLU, DTC, DLU can enable TTS for students that need it

Assigning SchoolNet Accommodations

- Navigate to the student profile using the **Find a Student** search box in the top righthand corner
- Click on **TestNav PNP** tab
- Choose the Text to Speech checkbox
